

Impact Snapshot

This snapshot can evoke a journey or highlight different ways value is created by an organization, for instance from different stakeholder perspectives, or in different impact areas.

1 Theme Heading

Keep text and simple indicators in the darker section and use the bubbles to hold other information such as figures, catchy quotes and photos.

Add
Figure or photo

2 Theme Heading

Quote that really capture
the theme that you are
wanted to show

Name

The size of the section can be varied to hold more text. The 'bubbles' can also be enlarged, or more bubbles added to hold more 'visual' elements.
